

CROONER ED

HARDLY ANYBODY KNOWS
THIS, BUT I'M REALLY
QUITE FAMOUS

The audience is part of the show in this wonderfully entertaining journey of lively swing numbers and romantic love songs. As Ed performs familiar hit songs from *Frank Sinatra*, *Dean Martin*, *Nat King Cole* and others, he roams around inviting audience members to sing along, trade places, dance, and participate in the show. It's a great night of music, laughter and entertainment.
